## **Message to be read to all**

Dear friends,

Indeed, I am delighted to receive your union's Invitation to attend for All India Conference to be held on 14<sup>th</sup> & 15<sup>th</sup> January, 2012 at Vasco-Da-Gama, Goa.

On this occasion, I take an opportunity to wish you very grand success in person and on behalf of Central Executive Committee the Indian Airports Kamgar Union. In fact, I wanted to join you at Goa, but due to unavoidable circumstances as some court cases and other employees' related issues are on hand to be taken up immediately.

Airports Authority of India Mazdoor Sangh has been working to protect the interests of AAI Employees and has been doing appreciable legal battle with regard to Industrial Employment (Standing Orders) Act, 1946. Similarly Indian Airports Kamgar Union steadfastly fighting legally OMDA related issues of IGI Airport, Delhi, CSI Airport, Mumbai and Nagpur Airport cases at forums like CGIT cum Labour Courts and before labour authorities. In this regard it is my considered view that an involvement of majority workers will always give effective and swift results.

I as General Secretary the Indian Airports Kamgar Union hope your deliberations may widely cover prevailing situation in AAI Industry and the responsibilities of Trade Unions functioning in AAI. You all aware and it is open secret that the present recognized union AAEU has been used as a

tool in hands of the management as a result employees are suffering lot, since not only the members of other trade unions AAEU members too fed up with its anti-workers attitude and anticipating change.

I shall wish to share some other facts being the unity in diversity. We are belongs to different trade unions but every ones ultimate aim remains the same that serving the employees of AAI. In the prevailing situation every worker of AAI wish that all trade unions, who likes to work for the interest of AAI Employees should come together, I hope your deliberations may focus it.

I also like to draw your attention towards happenings at national level, where all the Central Trade Unions such as INTUC, BMS, HMS, CITU, AITUC & others have been organizing jointly against the anti-workers policies of Central Government, since we are very much required to organize jointly.

Indian Airports Kamgar Union persistently working in this direction to unite all trade unions functioning in AAI with certain exceptions. It is also our view point that the modalities to achieve unity should not be too much complex or unrealistic.

Hopefully your deliberations would be result oriented and to suite the prevailing situation. With this hope once again wishing you all success, I stop.

"Working class unity Zindabad"

Yours friendly

  
(G.A. RUDRAPPA)
