Subject: -Direct Recruitment to the Posts of Executives (DGM to JET) – Request for consideration of serving Employees and proportionate Recruitment of Non-Executives.

Reference: -Direct Recruitment Advertisement No. 2/2012.

Dear Sir,

Kindly refer to Advertisement No. 2/2012 which, AAI directly recruiting in huge numbers to the posts from Deputy General Manager to Junior Executive pertains to various disciplines. AAI serving employees are expressing their strong protest and we place the following for your kind attention.

The Indian Airports Kamgar Union earnestly request your good-self that the serving Employees of AAI may have preference over the candidates from open market, since serving employees are experienced and having expertise in the field. It is also due to systemic deprivation of entitled promotions to the Non-Executive employees of feeder cadres resulting trained personnel in huge numbers continued to remain in E-2 scale though extracted the work of Assistant Managers for more than 6-8 years without regularizing them against the vacancies.

Only because adopting non-progressive and anti-employees policies caused in creation number of un-balanced vacancies and now the direct recruitment is being taking place to fill up posts of Manager and Junior Executive in huge numbers. Moreover the number of HRM Circulars issued suggesting various measures for curtailing expenditure of administration, since above recruitment amounts contrary to management's stand taken.

For the past few years the number of employees belongs to Non-Executive cadres are being reduced drastically, hence there is need for proportionate recruitment against Non-Executive vacancies. Taking our request in right perspective the serving employees request may please be considered.

With kind regards,

Yours faithfully
