**Subject: -IAKU proposes to start joint discussions for forming an Alliance of Trade Unions functioning in AAI - reg.**

Dear Sir,

You are kindly aware, Indian Airports Kamgar Union has been making constant efforts prior to year 2010 to bring all registered Unions functioning in AAI together to form a strong and workable Alliance of Unions.

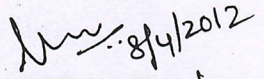

In this regard during the year 2010 IAKU and Airports Authority of India Workers Union came very closer and an Alliance was about to be formed but, provocation by certain undesired elements prevented it to happen.

Your goodself also aware that the IAKU has never rested and has been constantly making efforts, though hardly received any response at your end. Now the Referendum Union Election-2012 approaching very fast, we are running short of time and AAI Management in collision with its favorite Union AAEU started creating fear among the workers as well victimizing and transferring the office bearers, members and supporters of our Unions.

In continuation of our ongoing effort once again, we hereby propose for starting of joint discussions for forming an Alliance of Trade Unions without any pre-conditions between the IAKU and AAIWU, since we have been keep receiving calls from majority workers of AAI around the country. Hope you are equally interested and reciprocate positively.

With Greetings,

Yours sincerely

  
(G.A. RUDRAPPA)
